SCHEDULE OF SECTIONAL MEETINGS

Wednesday, February 21, 2018

WSCA Graduate Course - 7:30 a.m. – Hall of Ideas I

SECTIONAL 1 – 7:15 – 8:15 a.m.

1. Evidence- Informed Academic and Career Planning (ACP) (Gr. 6-12) Ballroom C

This workshop will focus on evidence-informed academic and career planning. Using research to guide our discussion, school counselors and related staff will learn how to apply evidence-informed research to their ACP program. (Ability Level: Intermediate; Track: Academic)

Presenter(s): Beth Tinsley, M.S.Ed., Research Assistant - Marquette University, Milwaukee, WI; Shannon M. Skaistis, M.S., Research Assistant - Marquette University, Milwaukee, WI; Alan Burkard, Ph.D., Professor, Department Chair; Coordinator of School Counseling - Marquette University, Milwaukee, WI

2. A School Response to Bullying (PreK-12) Ballroom D

45-60 minute presentation for school faculty and administration that covers the following: How to identify bullying behavior vs. kids just playing around Simple, research-based, 5 step approach for all staff to address bullying immediately and consistently Tips on how to interview students involved, witnesses, and how to speak to the parents Guide staff on how and when to share this information with the proper authorities and outside agencies Discuss state mandate for schools to address bullying, and encourage staff to follow policy Discuss case law and give examples of consequences when schools and staff fail to act. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Jeff Bean, President/Founder - Act on Bullying, Inc., Shorewood, IL

3. Infusing Science into Your Classroom Lessons (Gr. K-8) Hall of Ideas E

We all want our classroom lessons to be fun and engaging but making them memorable is easy when adding science! You will leave with 10-15 lesson plans that include science experiments that are easy and fairly inexpensive to implement. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Tricia Norby, MAE, MSE, LPC, School Counselor, Therapist – Verona, WI

4. Integrating PBIS and SMART Systems in evaluating student engagement. Hall of Ideas F (Gr. 6-8)

The sectional focuses on SMART systems process and integrating PBIS to increase student engagement. Most schools track office discipline referrals for PBIS data. At Lake Shore, we are shifting our lens to track positive behaviors which is the foundation of PBIS. We have revised our PBIS layout by strengthening our Tier 1 using a digital reinforcement system, Tier 2 systems focuses on building student teacher relationships and community building. As part of SMART schools systems we consistently use PSDA (Plan, Do, Study, Act) to evaluate our implementation. (Ability Level: Advanced; Track: Personal/Social)

Presenter(s): Beula Sundararajan, M.A, Social and Emotional Coach - Sundararajan, New Berlin, WI; William Mansfield, School Counselor - Lake Shore Middle School, Mequon, WI

5. Start Ahead with UW Colleges Online (Gr. 9-12)

Hall of Ideas G

Taking college courses while in high school is a great way for students to get ahead. Whether you have 1, 10 or 30 students interested in starting college coursework while in high school, UW Colleges Online is a great option to consider for the convenience and flexibility with a quality UW education. In this session, we will discuss the admission and enrollment process, as well as the support services available to students in online courses, including academic advising. We'll provide information about how you can work with an academic advisor to assist students and parents in choosing courses that align with the students' future academic goals and their Academic and Career Planning process. Finally, hear a faculty perspective on how high school students can be successful in online college courses. (Ability Level: Basic; Track: Career/Post Secondary)

Presenter(s): Katherine (Katie) Seibel, MSE, GCDF, Student Affairs Coordinator - UW Colleges Online, Madison, WI; Kim Lowe, Admission Counselor - UW Colleges, Madison, WI; Alan J. Hackbarth, Ph.D., Assistant Professor of Education - UW Colleges Online, Madison, WI

6. Integrating Online Learning (Gr. 9-12)

Hall of Ideas J

Online learning is rapidly becoming more mainstream. Today's technology native high school students are spending an increasing amount of time on devices across all platforms, and the trend is certainly not going to head in reverse anytime soon. It is imperative that we, as educators, remain ahead of the curve and are ready to accept and implement this new wave of learning head on. Educational technology integration is the next frontier. Are you prepared? (Ability Level: Basic; Track: Academic)

Presenter(s): Kyle Henriksen, MSed, Account Executive - Method Test Prep, Plainview, NY

**Opening Session 8:30 a.m.
Keynote Speaker – Michele Borba – “Unselfie”
Level 1 – Hall B**

SECTIONAL 2 - 10:30 - 11:30 a.m.

7. Teaching DEAR MAN (PreK-5)

Ballroom C

Many children with mental health and/or family system challenges struggle with verbal communication, yet adults, caregivers, and professionals all expect them to "tell us how you feel". During this sectional we will explore how to teach children to become comfortable using verbal communication and learn how to identify feelings and use problem solving strategies. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Karin Beal, M.Ed, MSW, APSW, Coordinator of Behavior Management Services - Rogers Behavioral Health, Oconomowoc, WI

8. University of Wisconsin Colleges and Extension Restructuring (Gr. 9-12) Ballroom D

Last October, UW System President Ray Cross proposed integrating UW Colleges with four-year comprehensive and research UW institutions as part of a broader restructuring of UW Colleges and UW-Extension. Get an update on the changes being made. President Cross and others from UW System will also be available to answer your questions. (Ability Level: Basic; Track: Career/Post Secondary)

Presenter(s): Ray Cross, Ph.D, President - University of Wisconsin System, Madison, WI

9. Youth Mental Health First Aid (Gr. 6-12) Hall of Ideas E

Youth Mental Health First Aid USA is an 8 hour public education program which introduces participants to the unique risk factors and warning signs of mental health problems in adolescents, builds understanding of the importance of early intervention, and teaches individuals how to help an adolescent in crisis or experiencing a mental health challenge. Mental Health First Aid uses role-playing and simulations to demonstrate how to assess a mental health crisis; select interventions and provide initial help; and connect young people to professional, peer, social, and self-help care. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Erika Spear, MS, School Counseling; Youth Mental Health First Aid Instructor Certification, School Counselor/Youth Mental Health First Aid Instructor - Almond-Bancroft School District/Youth Mental Health First Aid USA, Wisconsin Rapids, WI; Lisa Schaefer, MS, Education, Personal Coach & Educational Consultant - Shine with Schaefer, Platteville, WI

10. PBIS Universal Screeners (PreK-12) Hall of Ideas F

We will outline, explain, and show how our school district has been using emotional/behavioral universal screeners at the elementary, middle, and high school level to gather and analyze student data within our PBIS process. This data helps either confirm that who we are identifying for interventions or supports through other measures is justified, as well as helps identify other students that may have internalizing behaviors that can be further supported. These screeners are beneficial to ALL students, not just smaller populations. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Ty Jury, Middle School Counselor - Waunakee School District, Waunakee, WI; Kristin Meyer, K-12 School Social Worker - Waunakee School District, Waunakee, WI; Brit Doty, Elementary School Counselor – Waunakee School District, WI

11. Recovery from Critical Incidents: Are you and your district ready? (PreK-12) Hall of Ideas G

How confident are you in the readiness of your Student Services Team to respond immediately and effectively to assist students, parents, staff, and community members in constructively dealing with the emotional impact following a crisis event or "critical incident" that could happen on any given day? This sectional will provide participants with a practical written plan to the "Recovery" phase of crisis management, including detailed checklists and meeting agendas. Come and share your experiences, too. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Jocelyn M. Hoeper, Elementary School Counselor - Barlow Park Elementary, Journey Charter School, Markesan, WI

12. Makin' Graduation Happen: Academic Success through Portage Prep and Freshmen Transition Programs (Gr. 9-12) Hall of Ideas H

For the past five years, Portage High School has committed staffing and time to work with students at risk of dropping out to help them succeed in school and achieve their high school diploma. It started with credit deficient upperclassmen, and has now expanded to identifying freshmen at risk to address issues before they become overwhelming. Information and ideas will be shared about the transformation of the structure and format of this program over time, and data showing its success! (Ability Level: Intermediate; Track: Academic)

Presenter(s): Terry Gilman, MEd School Counseling, School Counselor - Portage High School, Portage, WI; Connie Wampler, MS in Differentiated Instruction for Alternative Learning, Interventionist/Teacher - Portage High School, Portage, WI

13. Using Breakout boxes for counseling Core Curriculum Lessons (PreK-12) Hall of Ideas I

Are you looking for some new engaging core curriculum lesson delivery? Learn and experience first hand how breakout boxes have students practicing problem solving, communication, and team building skills. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Stacy Eslick, MSSW, MSE, Executive Director - WSCA, Oregon, WI

14. Wisconsin School Counseling Program Accountability Report (WSCPAP) - An Introduction (PreK-12) Hall of Ideas J

Learn how developing a WSCPAP can help you promote your school counseling program and show how students are different because of the school counseling program at your school or schools. This is an introductory session designed for all school counselors who want to learn how to complete a WSCPAP and collect, distinguish (process, perception, and results), and use data. (Ability Level: Basic; Track: Leadership/Advocacy)

Presenter(s): Todd Hadler, MSE, Elementary School Counselor - Monroe Elementary School, Manitowoc, WI; Kyle Balda, MSE, Middle School Counselor - James Madison Middle School, Appleton, WI; Shannon Schindel, Elementary and Middle School Counselor - Foster Elementary School and Madison Middle School, Appleton, WI

15. The ASCA Model in 30 Minutes (PreK-12) Meeting Room K

School Counselors have a working knowledge of the ASCA model that, at times, requires some fine tuning. This session will engage participants in a brief review of the ASCA model. The goal for this session will be to review, remind and demystify the model. Participants will also be provided information on current school counseling programs in Wisconsin, and elsewhere, and how they are using the ASCA model to guide their program. (Ability Level: Intermediate; Track: Leadership/Advocacy)

Presenter(s): Mark Gillen, PhD, professor, Department chair - UW River Falls, River Falls, WI; Sarah Flier, MSE, School Counselor - Hudson School District, Hudson, WI

16. Career Cruising: Course Planner (Gr. 6-12) Meeting Room L

Course Planner is fully integrated with the Portfolio / Education Plan, combining students' exploration activities and course selections into one seamless process. An easy-to-read graphical interface

provides students with a simple view of the courses they have completed and planned, as well as those that are still required. Schools can enter an unlimited number of graduation pathways and special certification options. Easy and informative tools within Course Planner streamline conferencing with students and parents, allow for timely messaging, and connect courses available to academic and career planning. (Ability Level: Intermediate; Track: Academic)

Presenter(s): Sue Hall, , Educational Consultant - Xello, formerly Career Cruising, Fort Atkinson, WI; Xello Team Members, formerly Career Cruising, Toronto, ON

17. Supporting Career Paths through Youth Apprenticeship (Gr. 9-12) Meeting Room M

Youth Apprenticeship funding in Wisconsin has doubled in the last 3 years, now providing opportunities to over 4000 WI students annually. Students in the State can explore 11 different career pathways to get a jumpstart on their college and career goals. This session will provide an overview of the program and its connections to ACP objectives. Students in the program have a more focused approach to successfully navigate higher education, workforce and/or apprenticeships as they have a deeper knowledge of career expectations and have developed a support network in a cluster of their choice. The YA program has also supported schools on their journey to build effective partnerships with the local business community. (Ability Level: Basic; Track: Career/Post Secondary)

Presenter(s): Tania Kilpatrick, MSE, Director, Career and Technical Education - CESA 6, Oshkosh, WI; Josh Fassl, Director, Dane County School Consortium - Dane County - Workforce Development Board, Monona, WI

18. Exploring the Evolving Professional Identity of Novice School Counselors (PreK-Postsecondary) Meeting Room N

Over the decades, school counselors have experienced difficulty establishing a solid professional identity due to role ambiguity and policy decision-making. A solid professional identity supports advocacy for clients and the profession, increases inter-professional collaboration (Alves & Gazzola, 2011) and reduces role ambiguity. Using findings from current research, this presentation will provide opportunity to discuss how the professional identity of novice school counselors transitioning from other helping professions develops through the support they receive and the challenges they experience. (Ability Level: Advanced; Track: Leadership/Advocacy)

Presenter(s): Olamojiba Bamgbose, IL-LPC, IL-PEL, NCC, Ph.D, Dr - UW-Whitwater, Whitewater, WI

WSCA Members' Focus Group: Lunch-Time Listening Session

12:00 – 12:45 p.m.

Ballroom C

We want to hear from you! Help us continue to learn about the issues that school counselors are experiencing across the entire state. Bring your lunch and join the conversation with the WSCA Board to share your day-to-day experiences as a school counselor. The Board wants to make sure that ALL counselors are represented – so let your voice be heard!

SECTIONAL 3 - 1:00 - 2:00 p.m.

19. Teaching Problem Solving and Conflict Resolution (PreK-5)

Ballroom C

This program will be able to assist participants in teaching youth how to solve problems and regulate emotions. As a result, the participants and the program will experience improved communication between youth and care workers with a decrease in arguments and power struggles. Participants will walk away with ideas to address the conflicts in their setting by managing their own stress level and the stress among the youth. Participants will learn about the stress and conflict cycles while considering how emotions, thoughts, and behaviors contribute to the arguments and/or escalation. We will identify replacement behaviors and alternatives while teaching and supporting children to manage emotions, communicate effectively, and develop solutions. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Karin Beal, M.Ed, MSW, APSW, Coordinator of Behavior Management Services - Rogers Behavioral Health, Oconomowoc, WI

20. Breaking Down Barriers - Promoting Understanding & Acceptance in Your Schools (Gr. 9-12)

Ballroom D

Participants will experience our three day program that covers school violence, bullying and very personal discussions that help 9th grade students break down the barriers that exist within their class. We will both show the experience with the attendees, and talk through each segment of our program, so the program could be taken back to any school and be implemented. (Ability Level: Advanced; Track: Personal/Social)

Presenter(s): Jill Werner, MSE Counseling Education K-12, School Counselor - Waukesha North High School, Waukesha, WI; Heidi Stigler, Counselor - Waukesha North High School, Waukesha, WI; Whitney Domres, Counselor - Waukesha North High School, Waukesha, WI

21. Disordered Eating, Body Image and Self Esteem (Gr. 6-12)

Hall of Ideas E

Everyone struggles with their body and establishing their sense of self, especially during adolescence. As supports for students, it's crucial we understand the impact of the pressures they are facing on their identity and get comfortable talking about these concerns more directly/openly. The goal of the presentation is to create an open dialogue, share resources, and expand our network of connectivity in Wisconsin to support young people during such a difficult time of transition. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Kyira Hauer, SAC-IT; LPC-IT, Therapist - Edelweiss Behavioral Health; Kinda Kreative, LLC, Middleton, WI

22. Student Led Junior Conferences (Gr. 9-12)

Hall of Ideas F

Participants will learn about the New Berlin School District Student Led Junior Conference. From the development of pre-conference advisory lessons through student led discussion of Academic Career Planning (ACP) goals and development of action plan. Student Led Junior Conferences are a component of New Berlin School District's College Career Readiness (CCR) graduate benchmarks. (Ability Level: Intermediate; Track: Career/Postsecondary)

Presenter(s): Tammi Fure, School Counselor - New Berlin West Middle/High School, New Berlin,

WI; Kate Landry, School Counselor - New Berlin West Middle/High School, New Berlin, WI; Kathy Weeks-Douglas, School Counselor - New Berlin West Middle/High School, New Berlin, WI; Greg DePue, Assistant Principal - New Berlin West Middle/High School, New Berlin, WI

23. Developing a homegrown, principle based, character education program (PreK-5) Hall of Ideas G

Character education initiatives are truly successful when they not only inhabit the counseling curriculum but the entire school's culture. Greenwood Elementary School is a National School of Character, hear from Principal Nate Schurman and School Counselor Emily Rose on how they developed a homegrown, principle based character education program. From researching and gaining buy-in, to sustaining a current program, this sectional will provide tools, inspiration and practical ideas on how to keep your school focused on creating a culture of character. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Emily Rose, MSE, School Counselor - Greenwood Elementary School, River Falls, WI; Nate Schurman, Ph.D, Administrator - Greenwood Elementary School, River Falls, WI

24. What Parents Need To Know: 1-2-7 (PreK-12) Hall of Ideas H

How many careers require four years of post-secondary education? Does "higher" education mean "hire" education? What do your students really know about career pathways? Are they career ready? See current college completion, job outlook/placement and wages data. Learn creative ways to develop business/industry partnerships to build that all-important academic-career relevance in the classroom. Close with strategies discussion. (Ability Level: Intermediate; Track: Career/Post Secondary)

Presenter(s): Steven Coyle, Ed.D., National Director Counselor/Academic Relations - Universal Technical Institute, Scottsdale, AZ

25. Partnering with Families to Enhance Your School's Implementation of a Culturally Responsive Multi-Level System of Support (PreK-12) Hall of Ideas I

Presenters will provide research about the importance of Family Engagement. Theoretical underpinnings and conceptual frameworks that drive family engagement research will be described. Then, findings from family engagement research will be presented to identify the important role families have in supporting their children and improve implementation of a Culturally Responsive Multi-Level System of Supports. This presentation will also highlight how schools can Embrace, Engage, and Empower families to improve student learning and outcomes. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Dan Seaman, Ed.S, NCSP, Regional Technical Assistance Coordinator - Wisconsin Rtl Center, De Pere, WI; Michelle Belnavis, Culturally Responsive Practices Technical Assistance Coordinator - Wisconsin Rtl Center, De Pere, WI; Sara Summ, Regional Technical Assistance Coordinator - Wisconsin Rtl Center, De Pere, WI

26. Hot Topics in UW System Admission Offices (PreK-12) Hall of Ideas J

This session will be a valuable opportunity to learn more about the UW System campuses and promote your students' success. Representatives for UW campuses will discuss updates from their campuses including new programs and opportunities for students. Time will be allowed for questions and answers. (Ability Level: Intermediate; Track: Career/Post Secondary)

Presenter(s): Nichole Knutson, Digital Communications Specialist - UW HELP, Madison, WI

27. It's RAMP Time: Why and How (PreK-Postsecondary) Meeting Room K

Examine the benefits of applying for RAMP status and demonstrate to stakeholders that you're committed to delivering a comprehensive, data-driven school counseling program. The workshop reviews the Recognized ASCA Model Program (RAMP) designation from the American School Counselor Association and provides tips and resources for the RAMP. (Ability Level: Basic; Track: Leadership/Advocacy)

Presenter(s): Mark Kuranz, Master in School Counseling, Adjunct Professor, ASCA Model/RAMP Trainer - Marquette University, Racine, WI

28. Forget the Miracle Question: How to Think Like a Solution Focused Counselor (PreK-12) Meeting Room L

The focus of this presentation is to assist those familiar with SFC but interested in brushing up on their training, or going beyond the miracle question with their clients. Bring your client questions and concerns to this open discussion forum. (Ability Level: Intermediate; Track: Personal/Social)

Presenter(s): Mark Gillen, PhD, Department Chair, Professor - UW River Falls, River Falls, WI

29. ASCA Ethical Standards: Interpretation and Application (PreK-Postsecondary) Meeting Room M

INTENSIVE SECTIONAL – 1:00 – 3:00 P.M.

The 2016 ASCA Ethical Standards includes substantial additions in role clarification and best ethical practices, as well as, new standards to address data-informed programs, underserved students, bullying and digit citizenship. Paired with ASCA position statements, this updated set of ethical standards gives school counselor professionals language to advocate for our role in schools to meet the needs of all students academic, career and social-emotional development. Finally, the recommended decision-making process to resolve ethical dilemmas now incorporates the examination of ethical principals. (Ability Level: Intermediate; Track: Leadership/Advocacy)

Presenter(s): Carrie King, Ph.D., LPC, NCC, Counseling Department Chair; School Counseling Program Director - Mount Mary University, Milwaukee, WI; Kari Erickson, School Counselor - Hartford Union High School, Milwaukee, WI

30. Student Counseling Organization Share-Session (Postsecondary) Meeting Room N

Stout will facilitate a sharing session for grad students who belong to student organizations at the university level. Bring your ideas to share ways to boost membership, creative fundraising, meeting topics, advocacy for the profession and community service projects. We will share and then type the ideas up and email out to participants. (Ability Level: Basic; Track: Leadership/Advocacy)

Presenter(s): Carol Johnson, Ph. D., Associate Professor - UW-Stout, Menomonie, WI; Jessica Bauman, Grad Student - UW-Stout, Menomonie, WI; Katie Quinn, Grad Student - UW-Stout, Menomonie, WI; Katrina Raskie, Grad Student - UW-Stout, WI; Kelsey Aleckson, Grad Student - UW-Stout, Menomonie, WI

SECTIONAL 4 - 2:30 – 3:30 p.m.

31. **Sensory Integration and Trauma (PreK-5)**

Ballroom C

Children with sensory challenges who have experienced trauma struggle to be in their own bodies. 35. District Wide Crisis Response (PreK-12)

Hall of Ideas G

Somerset School District Mental Health Team have created this document to provide for the well-being of students, staff and community during and after a crisis. In today's society, educators are continually faced with situations that can cause education to come to a complete standstill. When an individual dies, whether from an accident, suicide, or violence, the school community is left in turmoil. It is important to be prepared to meet the needs of all individuals when this happens. This presentation will allow you to see what a crisis response manual could look like and have conversations of how it is used during a need for response. This presentation will give you hands on materials, templates, and resources for you to have readily available. We will also provide opportunities for practice and collaboration using these resources. This handbook is a collection of materials and suggestions, adopted in part from the Missouri School Counseling Association, the American Foundation for Suicide Prevention-After a Suicide Toolkit, National Association of School Psychologist-PREPaRE training. 73. Addressing Academic Stuckness Using Executive Functioning (Gr. 6-12)

Hall of Ideas J

Many students experience “stuckness” in school. They withdraw from academics, disengage from school, become inactive, and struggle with schoolwork. This presentation will examine stuckness as it relates to executive functioning. It will then discuss how these challenges present themselves in a student’s daily life and how they can be addressed with behavioral and cognitive strategies that will foster growth and independence. The presentation will focus on students with ADHD, LD, Personal/Social issues, and gifted students. (Ability Level: Basic; Track: Academic)

Presenter(s): Scott Lutostanski, NCC, LPC, M.Ed., MACC, Director of Academic Consulting - Galin Education, Middleton, WI

74. A Multifaceted Approach to Meeting the Needs of Students with Selective Mutism in the School Setting (PreK-8)

Meeting Room K

Selective Mutism is a complex childhood anxiety disorder characterized by a child’s inability to speak and communicate effectively in select social settings, such as school. This session will focus on how a school counselor collaborated with other educators and parents to meet the needs of an elementary student using a multifaceted approach. Through a case study, participants will learn how consultation,

individual counseling and small groups were used to significantly improve a student's school experience, especially in the areas of communication, anxiety reduction and relationships. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Laura Multer, M.S.Ed., School Counselor - Kohler School District, Kohler, WI; Rikki Bruggink, 3rd Grade Teacher - Kohler School District, Kohler, WI; Jennifer Roeber, 4th Grade Teacher - Kohler School District, Kohler, WI

75. Dual Credit Academies - A Collaborative Partnership that Works (Gr. 9-12) Meeting Room L

Since 2015, WITC has established 4 different dual credit academies in the areas of Welding, Construction and Automotive, most of which are positioned in the high schools. Eight schools are already participating and at least 4 more are slated for next year. In this session, counselors will learn best practices for working with their technical college partners to bring these academies to their schools. (Ability Level: Intermediate; Track: Career/Post Secondary)

Presenter(s): Jeanne Germain, M.Ed., Director, Career Prep & K12 Relations - Wisconsin Indianhead Technical College, New Richmond, WI

76. From Risk-Taking to Risk-Making: encouraging gifted students to step out of their comfort zones (Gr. 6-12) Meeting Room M

Self-advocacy is one of the best ways for gifted students' to assure that their intellectual needs are met as they transition from elementary to middle school. But self-advocacy requires taking and making positive risks and some of our brightest kids fear stepping outside their comfort zones. This session describes both risk-taking and risk-making and offers several ideas for helping gifted teens accept and create their own academic challenges, opening up a world of possibilities that will lead them in exciting new directions. (Ability Level: Basic; Track: Personal/Social)

Presenter(s): Deb Douglas, MS C&I, Ms - GT Carpe Diem, LLC, Fitchburg, WI
