

# “Afternoon on the Hill”

## Discussion points

**Introduce yourself:** (name, where you live, school district, grade level)

Initiatives in your school/district and needs of students: (ACP’s, SEL, Mental Health, Trauma-informed Care, etc.)

Sharing a personal story, examples, and data create the most powerful conversation. Use the space below to brainstorm ideas to share at your appointment.

As the role of the school counselor has shifted to a comprehensive program, working with ALL students, explain how this is implemented in your school/district.
