\*These courses have pre-requisites that must be met prior to enrolling in the course. Please consult the course schedule to review pre-requisites. Pre-requisites can be met by taking the UW System Placement Test or with AP Scores or a prior college course (unofficial transcript needed if taken somewhere other than UW Colleges).

### **NOTES:**

1. **This guide reflects typical requirements for Elementary and Secondary Education majors at many universities. Course requirements differ from one university to another; therefore this guide may not reflect the requirements at the university from which you plan to earn your teaching credentials. You are responsible for consulting the university to which you plan to transfer for details.**
2. Courses listed on this plan are based on availability online, additional courses may be available through other UW Colleges campuses.
3. Your GPA is critical. Most universities require a minimum 2.75, but typically need a 3.0 or higher due to competitiveness of programs.
4. Plan to take the Praxis CORE, a standardized test required for entry into education programs, at the end of your freshman year. This requirement may be waived if ACT scores meet a minimum requirement.
5. Please consult your advisor for assistance in course selection and transfer planning.

*You are responsible for your academic plan. If you are transferring to a campus within the University of Wisconsin System, consult the Transfer Wisconsin website at <https://www.wisconsin.edu/transfer> regularly for updates. Confirm your academic plan with an advisor at the campus to which you plan to transfer.*

*This plan is subject to change without notice. Review your progress periodically with an advisor.*
