

Senior Questionnaire

Please answer the following questions completely and thoughtfully. This will serve as a guide for Mrs Voice to write your college letter of recommendation. The more information shared, the better the letter will reflect you as a whole person. I will not begin my letter until you have submitted this form.

Name:

Please list and briefly explain the following:
Work experience; dates and tasks.

Community Service; dates and tasks.

Activities (Clubs and Sports); years and tasks

Which activity was most important to you and why?

Three words that describe yourself.

1. 2. 3.

Have you participated in any summer programs, work, or study opportunities that have been of importance to you?

What are your top priorities for Senior year and why?

What do you like to do with your free time?

What community service has meant the most to you?

Is your high school record (grades, discipline, etc) an accurate representation of your ability and ability? Why or why not?

What is your favorite class subject and why?

Do you have a college major in mind? If so, what and how certain are you?

Do you have a career goal? If so, please explain.

What makes you unique in your senior class? Do you have a particular skill/talent/family background, etc?

Do you have questions or concerns about the application process?

Is there anything else you would like college admissions committees to know?
