Protecting Our Children

A Partnership between Seymour Police Department and Seymour Community School District

Background/History

2005: SMS Library Media Specialist introduced Netsmartz resources to SMS School Counselor who began to incorporate into classroom lessons

2008: Staffing changes; SMS Counselor moved to RLI, brought Netsmartz resources to grades 3-5 and shared with K-2 counselor; new SMS counselors continued to use 6-8

2008: Staff began to notice more incidents involving technology misuse; partnership with Investigator Hilgenberg developed as he was called to respond more to incidents. Began as responsive service, we moved toward utilizing his expertise on a more preventive focus in the classrooms to educate/inform before having to be responsive.
